

Tip Guide: Inactive/Active Providers

The screenshot displays the Modio Health Master Practice (DEMO) interface for San Francisco, CA. The top navigation bar includes links for Team, Forms, Tracking, Logins, Tasks, Notes, and Reports. The main header shows the practice name and buttons for 'Add Provider' and 'Message'. A dropdown menu for 'OneView V2' is open, listing various reports and actions. The main content area shows a list of providers, including Family Healthcare - FAC, Abakporo, Theophine David - QMHA, Abrams, Pamela - MD, and Abroon, John David - MD. The 'Inactive Providers' option is highlighted in the dropdown menu. The bottom of the screen shows pagination controls and a footer with copyright information.

Access your list of inactive provider's by selecting the red toggle at the bottom of the reports drop down list.

Click here to mark a Provider as inactive. This does not delete your Provider, it just moves them over to the inactive Provider list
