Click here to mark a Provider as **inactive**. This does not delete your Provider, it just moves them over to the inactive Provider report

Click here to view Providers whom are **currently inactive**.

# TIP GUIDE : INACTIVE/ACTIVE PROVIDERS

The screenshot shows the Modio Health QA interface for San Francisco, CA. The top navigation bar includes 'Team', 'Forms', 'Logins', 'Tasks', 'Tracking', 'Peer Review', and 'Notes'. The main header shows 'Modio Health QA (San Francisco, CA)' with an 'Alerts (0)' indicator and 'Add Provider' and 'Message' buttons. Below this is a filter bar with 'All', 'Internal Medicine', and 'Pain Medicine' tabs. A search bar is present with the text 'Search by name or primary specialty...'. The main table lists providers with columns for 'Provider', 'Tags', 'Compliance', and 'Actions'. The first provider is 'Givechii, Yasi - acupuncture' with 'General Surgery' as a tag. The 'Compliance' column shows 'No alerts'. The 'Actions' column contains a red toggle switch and a black dot. A dotted line points from the text on the right to the black dot. The bottom of the page features a footer with 'Privacy Policy', '© ModioHealth.com, 2018 All rights reserved.', 'Terms and Conditions New!', and a 'Live Help' button.

Click here to mark a Provider as **active**. Once the switch turns green, they will be added back into your team page. Note: You can un-archive and make a Provider active again at anytime.

# TIP GUIDE : INACTIVE/ACTIVE PROVIDERS

The screenshot shows the Modio Health QA interface for San Francisco, CA. The top navigation bar includes 'Team', 'Forms', 'Logins', 'Tasks', 'Tracking', 'Peer Review', and 'Notes'. The main content area has a search bar for providers and a table with columns for 'Provider', 'Compliance', and 'Actions'. A dropdown menu is open, listing various reports and actions. The 'Inactive Providers Audit History' option is highlighted with a red dot, and a dotted line connects it to the text on the right. The 'Active Providers' option is also highlighted with a red dot, and a dotted line connects it to the text at the bottom.

Download a report of your inactive Providers and all their audit history.

Click "Active Providers" to navigate back to your team page where you will find your inactive provider(s) now **active**.
