

TIP GUIDE : OIG REPORTS

Office of Inspector General

INTRODUCTION:

- Modio's OneView® system is integrated with the OIG (federal) exclusion database. To learn more follow this link - <https://exclusions.oig.hhs.gov>
- Modio runs the OIG report every month (on or about the 15th of the month) against your team roster. (This includes all provider types)
- There are **2** ways in which Modio's OIG functionality supports your compliance policies.
 - 1. Automated monthly verification process on all credentialing profiles in your system.
 - 2. You can access "on demand verification" through the provider profile link.

HOW TO RUN A SUCCESSFUL REPORT:

- In order to run a successful report, we require your provides profile to be completed with either an **NPI or SSN**. **Please note, a name and date of birth is not enough.**
- The OIG report will include the providers *full name, primary speciality, date of birth, NPI#, home address, phone, OIG Status, and last updated date*. The previous month's report is replaced when the new mid-month report is run. This requires you to generate the report and save it to their files.

OIG REPORT OUTCOMES:

- If no results are found when you run the updater, you'll see two options: "Acknowledge and Close" (closes the window without doing anything else) or "Save OIG Verification" (saves the no-results document to the provider profile).
- If there is a potential match, Modio will attempt to verify if it is in fact the provider in OneView® if the appropriate data is available to do so. Please note, Modio will attempt to notify any clients that have a provider with an exact match. In the event of a *partial* match, we will not notify and it is ultimately the responsibility of the client to review the OneView® compliance report to determine if there's an issue with any of the providers.

The OIG monthly CSV report can be found filed under “OIG” located in the Reports module.

Automated OIG Monitoring with Modio

Modio runs the OIG verification process every month (on or about the 15th of the month) on your team's credentialing profiles.

Tip Guide: OIG

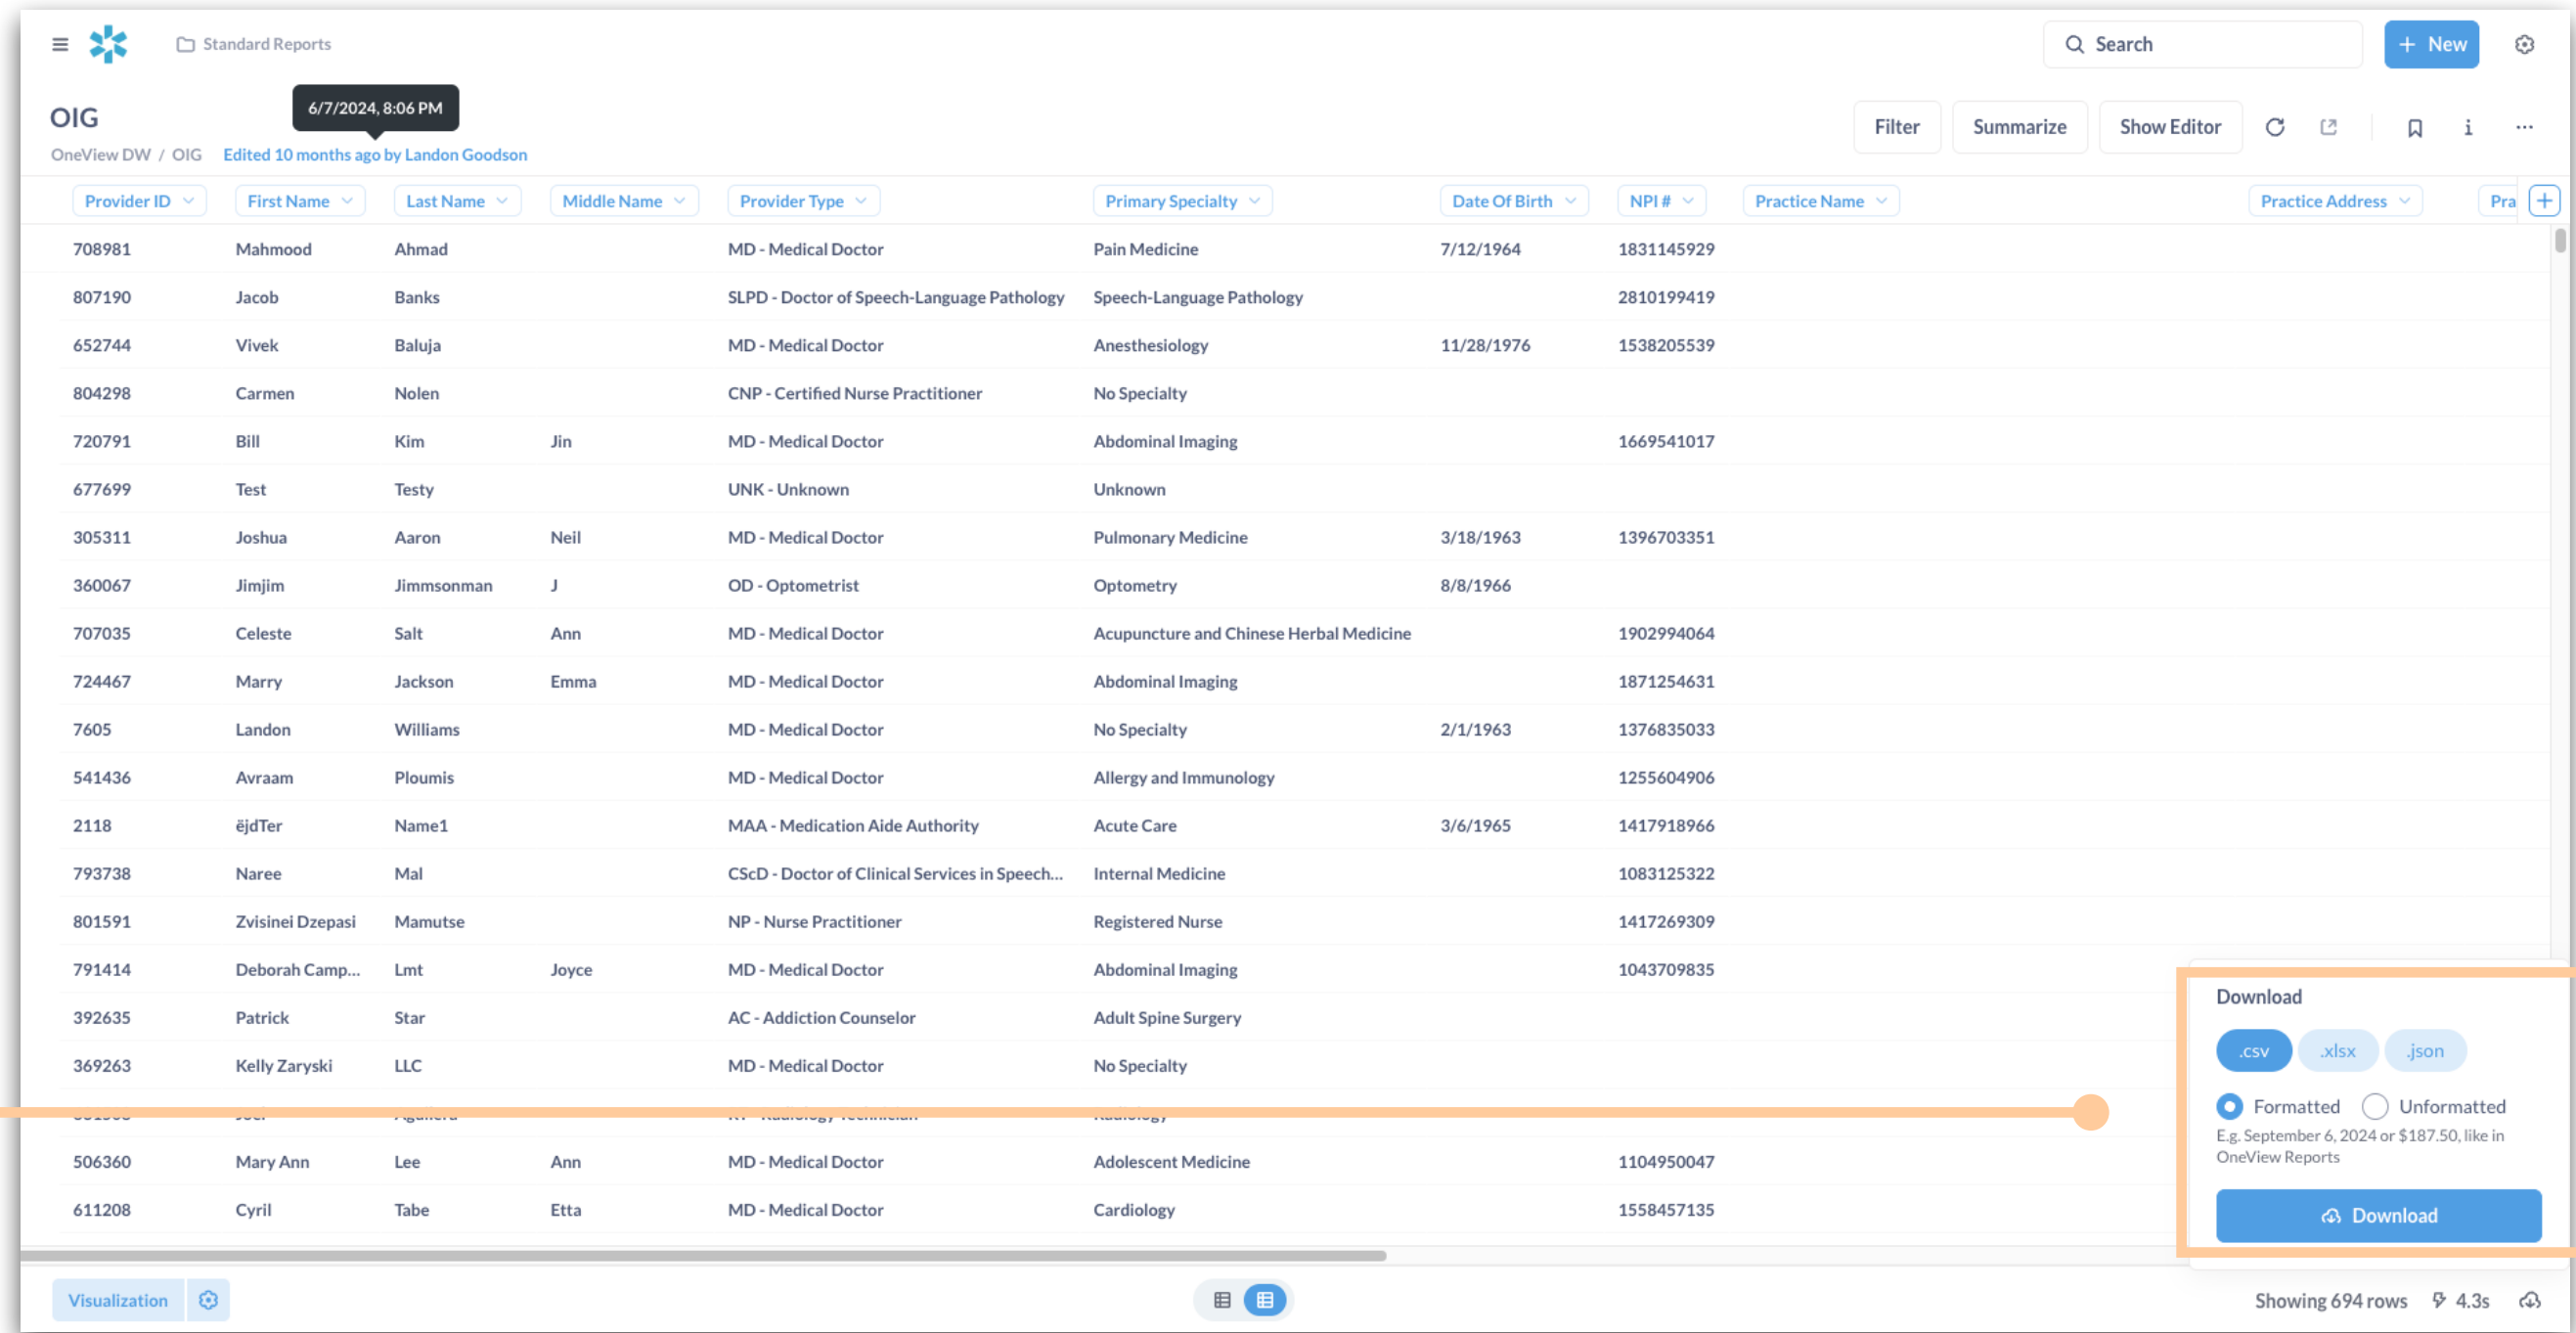

1

Under the Standard Reports folder, click on the "OIG" report to run and view that data for all providers on your team

2

Download the **OIG report** here as a CSV, Xlsx, or Json. You can then save the report to your document folder.

1

Navigate to a provider and click on the link under **"Compliance"**. (in this case, this provider has "8 alerts")

Navigate to V2 and type in your providers name in the search bar . Select you providers name form the dropdown list to go into Single Provider view.

The screenshot shows the Modio V2 interface. At the top, there's a navigation bar with 'Team', 'Forms', 'Tracking', 'Logins', 'Tasks', 'Notes', and 'Reports'. Below this, the user is logged in as 'Danessa McShane | OneView® Trainer'. The main content area shows the profile of 'Kirk Heath, MD - NPI 1184838286, General Surgery'. A search bar at the top right contains 'Kirk Heath'. Below the search bar, there's a table with columns: First Name, Middle Name, NPI #, Date Of Birth, Exclusion Type, Exclusion Da..., Status, Tags, Last Updated, and Actions. The table shows one entry for Kirk Heath, MD, with a status of 'Pass' and a last updated date of '04/15/2025'. A dropdown menu labeled 'Sections (1)' is visible on the right side of the table.

2

Click on the "Sections" dropdown to filter by "OIG"

The screenshot shows the 'Sections (1)' dropdown menu. The menu is open, displaying a list of sections. The 'OIG' section is selected, indicated by a checkmark. Other sections listed include 'Provider Info', 'Birth Info', 'Addresses', 'Add'l Names', 'Health Info', 'Additional IDs', 'CAQH', 'Licensure', 'State Licenses', 'DEA Licenses', 'Controlled Substances', 'Actions & Exclusions', 'Event Log', 'SAM', 'FSMB Actions', 'Certifications', 'Board Certifications', 'Other Certifications', 'Education & Training', 'Exams', 'Work Experience', 'Practice/Employer', 'Facility Affiliations', 'Work History', 'Peer References', 'Military Experience', 'Malpractice Insurance', 'Documents', 'Completed Forms', and 'Verifications'.

3

Click the date under the “Last Updated” column in the OIG grid to see the last time the OIG updater was ran, the provider’s OIG status, and if any new information was updated.
