

OneView[®]

TIP GUIDE : TRACKING

Use Tracking to keep an eye on provider management workflows, from licensure applications to payor enrollment. Tracking provides a step-by-step view of your most important credentialing processes. You can assign tracking ownership to different users on your team, export excel reports to check on workflow progress, and communicate with your team through dated, timestamped notes. You can also set turnaround times on individual steps, and add customized follow up dates as needed. Any note in tracking can be flagged as important so you can easily identify on reports what needs to be escalated or prioritized. Note that tracking does not complete or submit applications on behalf of your provider; it's purpose is to serve as an internal tool to stay organized and on top of credentialing work your team needs to complete.

Start here

1

The screenshot shows the Modio Tracking interface. At the top, there's a navigation bar with 'Team', 'Forms', 'Tracking', 'Logins', 'Tasks', and 'Notes'. Below this, the user is logged in as 'Modio Health QA (San Francisco, CA)'. There are buttons for '+ Add Provider' and 'Message'. A dropdown menu shows 'OneView V2'. Below that, there are tabs for 'All', 'Contract Employees', 'Critical Care', 'Internal Medicine', 'IONM Physicians', and 'Pain Medicine'. The main section is a table with columns for 'Provider', 'Tags', 'Compliance', and 'Actions'. The table lists three providers: Judd T. Smith (Acupuncture, 3 alerts), John Snow (Family Medicine, No alerts), and Yuri Zhivago (Addiction Medicine, 8 alerts). At the bottom, there's a pagination control showing '1 / 1' and '200 items per page', and a 'Live Help' button.

Provider	Tags	Compliance	Actions
 Acupuncture NPI# 1295705283	Contract Employees Critical Care	3 alerts	
 Family Medicine NPI# 1801007265	Contract Employees	No alerts	
 Addiction Medicine NPI# 1740201268	Contract Employees Internal Medicine Pain Medicine	8 alerts	

The Tracking dashboard

2

Add Tracking: Click here to start tracking a new workflow. If Tracking hasn't been set up for your team yet, contact your Account Manager.

The screenshot shows the Modio Tracking dashboard for 'Modio Health QA (San Francisco, CA)'. The top navigation bar includes 'Team', 'Forms', 'Tracking' (selected), 'Logins', 'Tasks', and 'Notes'. A '+ Add Tracking' button is located in the top right corner, highlighted by a yellow callout box. Below the navigation is a header for the organization and a '+ Add Tracking' button. The main content area displays a table of tracking items with the following columns: ID, Priority, Type, Subtype, Owner, Name, Status, Step Due I..., Assignee, Provider, Est. Due Da..., and Actions. The table contains 10 rows of data. At the bottom of the table, there is a pagination control showing '1' of 16 items and '200 items per page'. The footer includes 'Privacy Policy', '©2020 Modio Health. All rights reserved.', 'Terms and Conditions', and a 'Live Help' button.

Launching a new Tracking workflow.

Priority: Choose a priority and start date for the tracking report.

Owner: Select who "owns" this task.

Type: Depending on the item type you chose, you'll be able to pick an item from the drop-down menu. This could be a facility, a license number, malpractice carrier, or other option. Pick the item that corresponds to the application you are working on.

Practice/Employer: Select the practice or employer this tracking event is required for.

Description: Add a description to your workflow.

Date auto-shift: The box for Auto-shift Estimated Dates is automatically checked. This means the estimated start and due dates correspond to the number of estimated days it will take to complete each step. (For example, if the default for step 1 is 3 estimated days beginning on Jan 1 and due on Jan 3, and you change the estimated days to 5, the due date will automatically change to Jan 5.)

7 Subtype: If applicable, pick the subtype for the application (typically either "New" or "Renewal").

8 Provider: Select the provider this task relates to.

The screenshot shows the 'New Tracking for Modio Health QA' form. The form is divided into several sections: Details, Share (Read Only), Description, and Steps. The Details section includes fields for Priority (Normal), Start Date (01/17/2020), Completed Date, Status (Pending), Owner (Yasi Givechi), Type (Provider Application Practice/Employer), Subtype (New), Practice/Employer (Modio Health QA (San Francisco, CA)), and Provider (Yuri Zhivago). The Share section includes a field for Modio Health Master Practice (DEMO) (San Francisco, CA). The Description section has a text area for entering a description. The Steps section shows 9 steps with a checkbox for 'Auto-shift Estimated Dates?'. At the bottom right, there are buttons for Start, Save, Cancel, and Live Help. The form is annotated with 15 numbered callouts: 3 points to Priority, 4 to Owner, 6 to Type, 9 to Practice/Employer, 7 to Subtype, 8 to Provider, 5 to Tag(s), 10 to Append to Tracking Name, 11 to Tracking Name, 12 to Share, 13 to Description, and 15 to the Save button.

5 Tag(s): Add any tags to help with better organizing.

10 Append to Tracking Name: If checked, the practice/employer will be added to the Tracking Name.

11 Tracking Name: Edit the tracking name if desired. (optional).

12 Share: if you have multiple facilities, you can share this tracking event but it will only appear in a "Read Only" view. This means the tracking event is locked in their view.

15 Save: Once you have set up tracking, click Save. The tracking item will be saved as "Pending." When you are ready, click Start and tracking will be moved to "In Progress" status.

Updating/Completing an Application or Workflow

16

On the Tracking dashboard, click edit to view or change an existing application. Applications that have been saved but not started have the status "Pending."

The screenshot shows the Modio Tracking dashboard for 'Modio Health QA (San Francisco, CA)'. The dashboard includes a navigation bar with 'Team', 'Forms', 'Tracking', 'Logins', 'Tasks', and 'Notes'. Below the navigation is a header with the Modio logo and a '+ Add Tracking' button. A filter bar shows 'All' selected and various filters like '1/10', '10/12', 'CAQH: NEW', 'test', 'Test 1/16', 'Test 11/1', 'Test 3/14', and 'Test 9.27'. The main table has columns: ID, Priority, Type, Subtype, Owner, Name, Status, Step Due I..., Assignee, Provider, Est. Due Da..., and Actions. The first row is highlighted with a black border and contains the following data: ID: 49481, Priority: Normal, Type: State License, Subtype: New, Owner: Credentiali..., Name: New - State License - CA - California (MD) - G, Status: Pending, Step Due I..., Assignee, Provider: Mc Dreamy, Est. Due Da..., and Actions. Below the table is a pagination control showing '1' of '1' items and '200 items per page'. The footer contains 'Privacy Policy', '©2020 Modio Health. All rights reserved.', 'Terms and Conditions', and a 'Live Help' button.

Edit and save any additional details before you click Start; these cannot be changed once you begin the tracking process. Finally, click **Start** to proceed.

Updating/Completing an Application or Workflow

The screenshot shows the Modio Tracking interface. A modal dialog box titled "Start Tracking" is open, asking "Are you sure you want to start this item?" with "Cancel" and "Start" buttons. The background form includes the following fields:

- Created by: Credentialing Requests - 01/13/2020
- Last updated: 01/17/2020
- Details
- Priority: Normal
- Start Date: 01/17/2020 (with "Use current date?" checked)
- Completed Date: (empty)
- Status: Pending
- Owner: Credentialing Requests (credrequests@modiohealth.com)
- Tag(s): ...
- Type: State License
- Subtype: New
- Provider: Mc Dreamy (ygivechi@gmail.com) (NPI# 1999999991)
- State License: CA - California (MD) - G2840400 (12/30/2020) Active
- Tracking Name: New - State License - CA - California (MD) - G2840400 (12/30/2020) Active
- Share (Read Only): ...
- Description: Per client 1/13, this is low priority. Start this once licenses for Drs. A and B have been submitted.
- Steps: 9 (0 steps completed in 0 of 46 days)
- Auto-shift Estimated Dates? (checked)
- Buttons: Start, Save, Cancel
- Footer: 1 Start - N/A day(s), Live Help

18 Edit and save any additional details before you click Start; some of these (start date, status, Type and Subtype) cannot be changed once you begin the tracking process.

Updating/Completing an Application or Workflow

Step Name: Each application type has a default set of steps with an estimated timeline. We will work with you to customize these for your organization. For each step, you can specify the name, estimated days, and start/due dates for each step to fit your needs.

Start Date: Edit the "Actual Start Date" on step 1 with when you started working on the task referenced in the step, then add any notes and click Start.

Complete Step: When the step is complete, fill out the "Completed Date" and any notes, then click Complete.

Click here to **Add a follow up date.** A new modal will appear asking for the follow up date and the reason. This will be recorded in the notes, and then the due date adjusts automatically.

Assigned To: Each step is automatically assigned to the tracking Owner you designated. At the step level, you can reassign each step as needed by entering the name of another team member under Assignee. You can assign steps to different people within the same application.

Auto-start: Auto-start is automatically checked. This means the next step will start automatically as soon as the previous step has been completed. Without auto-start, you will need to manually click start on each consecutive step, which is why we set this for you.

Continuing Steps: Repeat for each step until you reach the end of the designated steps. You can leave the tracking report and come back to it at any time - your progress will be saved, and you'll see the status on the tracking report set as "In Progress."

The screenshot shows a workflow tracking interface with the following elements and callouts:

- 19:** Points to the 'Step Name' input field containing 'Start'.
- 20:** Points to the 'Assignee' dropdown menu showing 'Credentialing Requests (credrequests@modiohealth.com)'.
- 21:** Points to the 'Start Date' input field containing '01/03/2020'.
- 22:** Points to the 'Auto-start?' checkbox, which is checked.
- 23:** Points to the 'Start Step' and 'Add Follow-up Date' buttons.
- 24:** Points to the 'Request/Retrieve App - 3 day(s)' step in the list below.
- 25:** A large bracket on the right side of the step list, indicating the sequence of steps from 2 to 8.

The interface includes a 'Notes' section with a text area and a 'Save Note' button. The step list contains the following items:

- 1 Start - N/A day(s)
- 2 Request/Retrieve App - 3 day(s)
- 3 Blank App Received - 5 day(s)
- 4 App Out to Provider - 2 day(s)
- 5 Signed App Received - 5 day(s)
- 6 Submitted to Entity - 1 day(s)
- 7 Confirm App Rcvd by Entity - 5 day(s)
- 8 Follow w/Entity for Status - 10 day(s)

Workflow Summary: To view a summary of a tracking report, hover over the name of the report. A step-by-step status update will appear. If you scroll to the bottom of this window, you will see the most recent report on this tracking item.

Filtering: After you create your first tracking report, you can return to the Tracking tab at any time to view, edit, and sort through your team's tracking reports. Use the filter feature to sort through applications by type, name, priority, status, or creator/ assignee/ provider name. You can also click on the header for each section to sort alphabetically, in date order or in numerical order (depending on the field values)

27

The screenshot shows the Modio Health QA interface. At the top, there are navigation tabs: Team, Forms, Tracking (selected), Logins, Tasks, and Notes. Below the tabs, the user is logged in as 'Modio Health QA (San Francisco, CA)'. A search bar and a '+ Add Tracking' button are visible. The main area contains a table of tracking reports with columns for ID, Priority, Type, Subtype, Owner, and Name. A popup window titled 'Renewal - Malpractice Insurance' is open, showing a 7-step workflow: 1. Renewal Request Received, 2. App Out to Provider, 3. Signed App Received - 5 work day(s), 4. Submitted to Entity - 1 work day(s), 5. Confirm App Rcvd by Entity - 5 work day(s), 6. Follow w/Entity for Status - 10 work day(s), 7. Approved Certificate Received - 10 work day(s). The popup also shows '2 of 7 steps completed in 133 of 36 days' and '572 day(s) overdue'. At the bottom of the popup, there is a 'Carrier Producer Name' field. The main table has a pagination bar at the bottom showing '1 / 1' and '200 items per page'. The footer contains 'Privacy Policy', '©2020 Modio Health. All rights reserved.', 'Terms and Conditions', and a 'Live Help' button.

26

28

Archiving Workflows: Click on the red X icon to archive workflows. Archive tracking when you no longer need to work on it, it will not appear on the tracking grid unless you manually change the status to All Statuses or Archived. If you need to restore an archived tracking, you can do so. You can also permanently delete Archived tracking if you never need to access it again.
